Re: Request for Certificate of Correction

Consideration has been given your request for the issuance of a certificate of correction for the above-identified patent under the provisions of Rule(s) 1.322 .

The alleged error(s) Claims, The Certificate of Correction is not acceptable because the correction changes the dependency of claim 11 to depend upon claim 20. The dependent claim must depend upon any of the preceding claims, not the claims that follow. See MPEP 608.01(n). The original claim 11 depends upon claim 9, which is OK. However, the CofC changes the dependency of claim 11 to depend upon claim 20, which is not acceptable. The patent is printed in accordance with the record . In view of the foregoing, your request, in this matter(s), is hereby denied.

A certificate of correction will be issued to correct the remaining error(s) noted in your request.

Further consideration/reconsideration will be given upon receipt of a Request for Reconsideration under, under the provision of U.S.C. 254 or 255 (C.F.R. 1.322 or 1.323), accompanied by the appropriate response or fee of \$100, which should be directed to Decisions & Certificates of Correction Branch.
